

# Services and Facilities

## Winter road closures

From early November to early May most park roads are closed. The exception is the road between the North Entrance and Cooke City. It is open all year.

From mid-December to early March, oversnow vehicles may be used only on the unplowed, groomed park roads. Call park headquarters for regulations or check the park website, [www.nps.gov/yell](http://www.nps.gov/yell).

## Emergencies

For medical or other emergencies contact a ranger or call **307-344-7381** or **911**.

Check the park newspaper or website for seasonal dates of services and facilities.
