Do Not Use This Map For Navigation
For safe boating, National Ocean Survey charts are indispensable.

Authorized park boundary
The Channel Islands National Park boundary extends 1.8 km (1 nautical mile) from the shore of each island.

Authorized marine sanctuary boundary
The Channel Islands National Marine Sanctuary boundary extends 10.8 km (6 nautical miles) from the shore of each island.

Ranger station
Campground
Restrooms

Data Sources
Depth tints and terrestrial relief derive from Digital Elevation Models (DEMs) produced by NOAA and the USGS. Bathymetric relief shading was manually produced.

Trailhead #
(see hiking table)
